

TEAM COMPETITION

August 17, 2008

The IEO Team Competition was born after a trip to ESDCTA's Team Competition at Gladstone. We decided that there should be a local team competition for the amateur adult or young rider, without the time or funds to travel to New Jersey. It also provides a warm-up for those teams going to the Big Show.

Each team should consist of **two or three riders** who will compete **at the same level, such as 2 or 3 riders competing Walk/Trot Test 2**. We offer Team classes at each level. All Team riders will ride **Test 2** of the level they are competing at. The scores of each team will be averaged and the team with the highest average score would win at that level.

The fee to enter a team in the competition is \$25.00 per team member. For instance, if you are a 2-member team, the total fee is \$50.00 for the whole team, or \$75.00 if there are 3 riders on the team.

The competition takes place at our August show and runs in conjunction with the regularly scheduled show. **Please note that a special entry form for Teams is included in the Omnibus.**
